To the Senior Class:

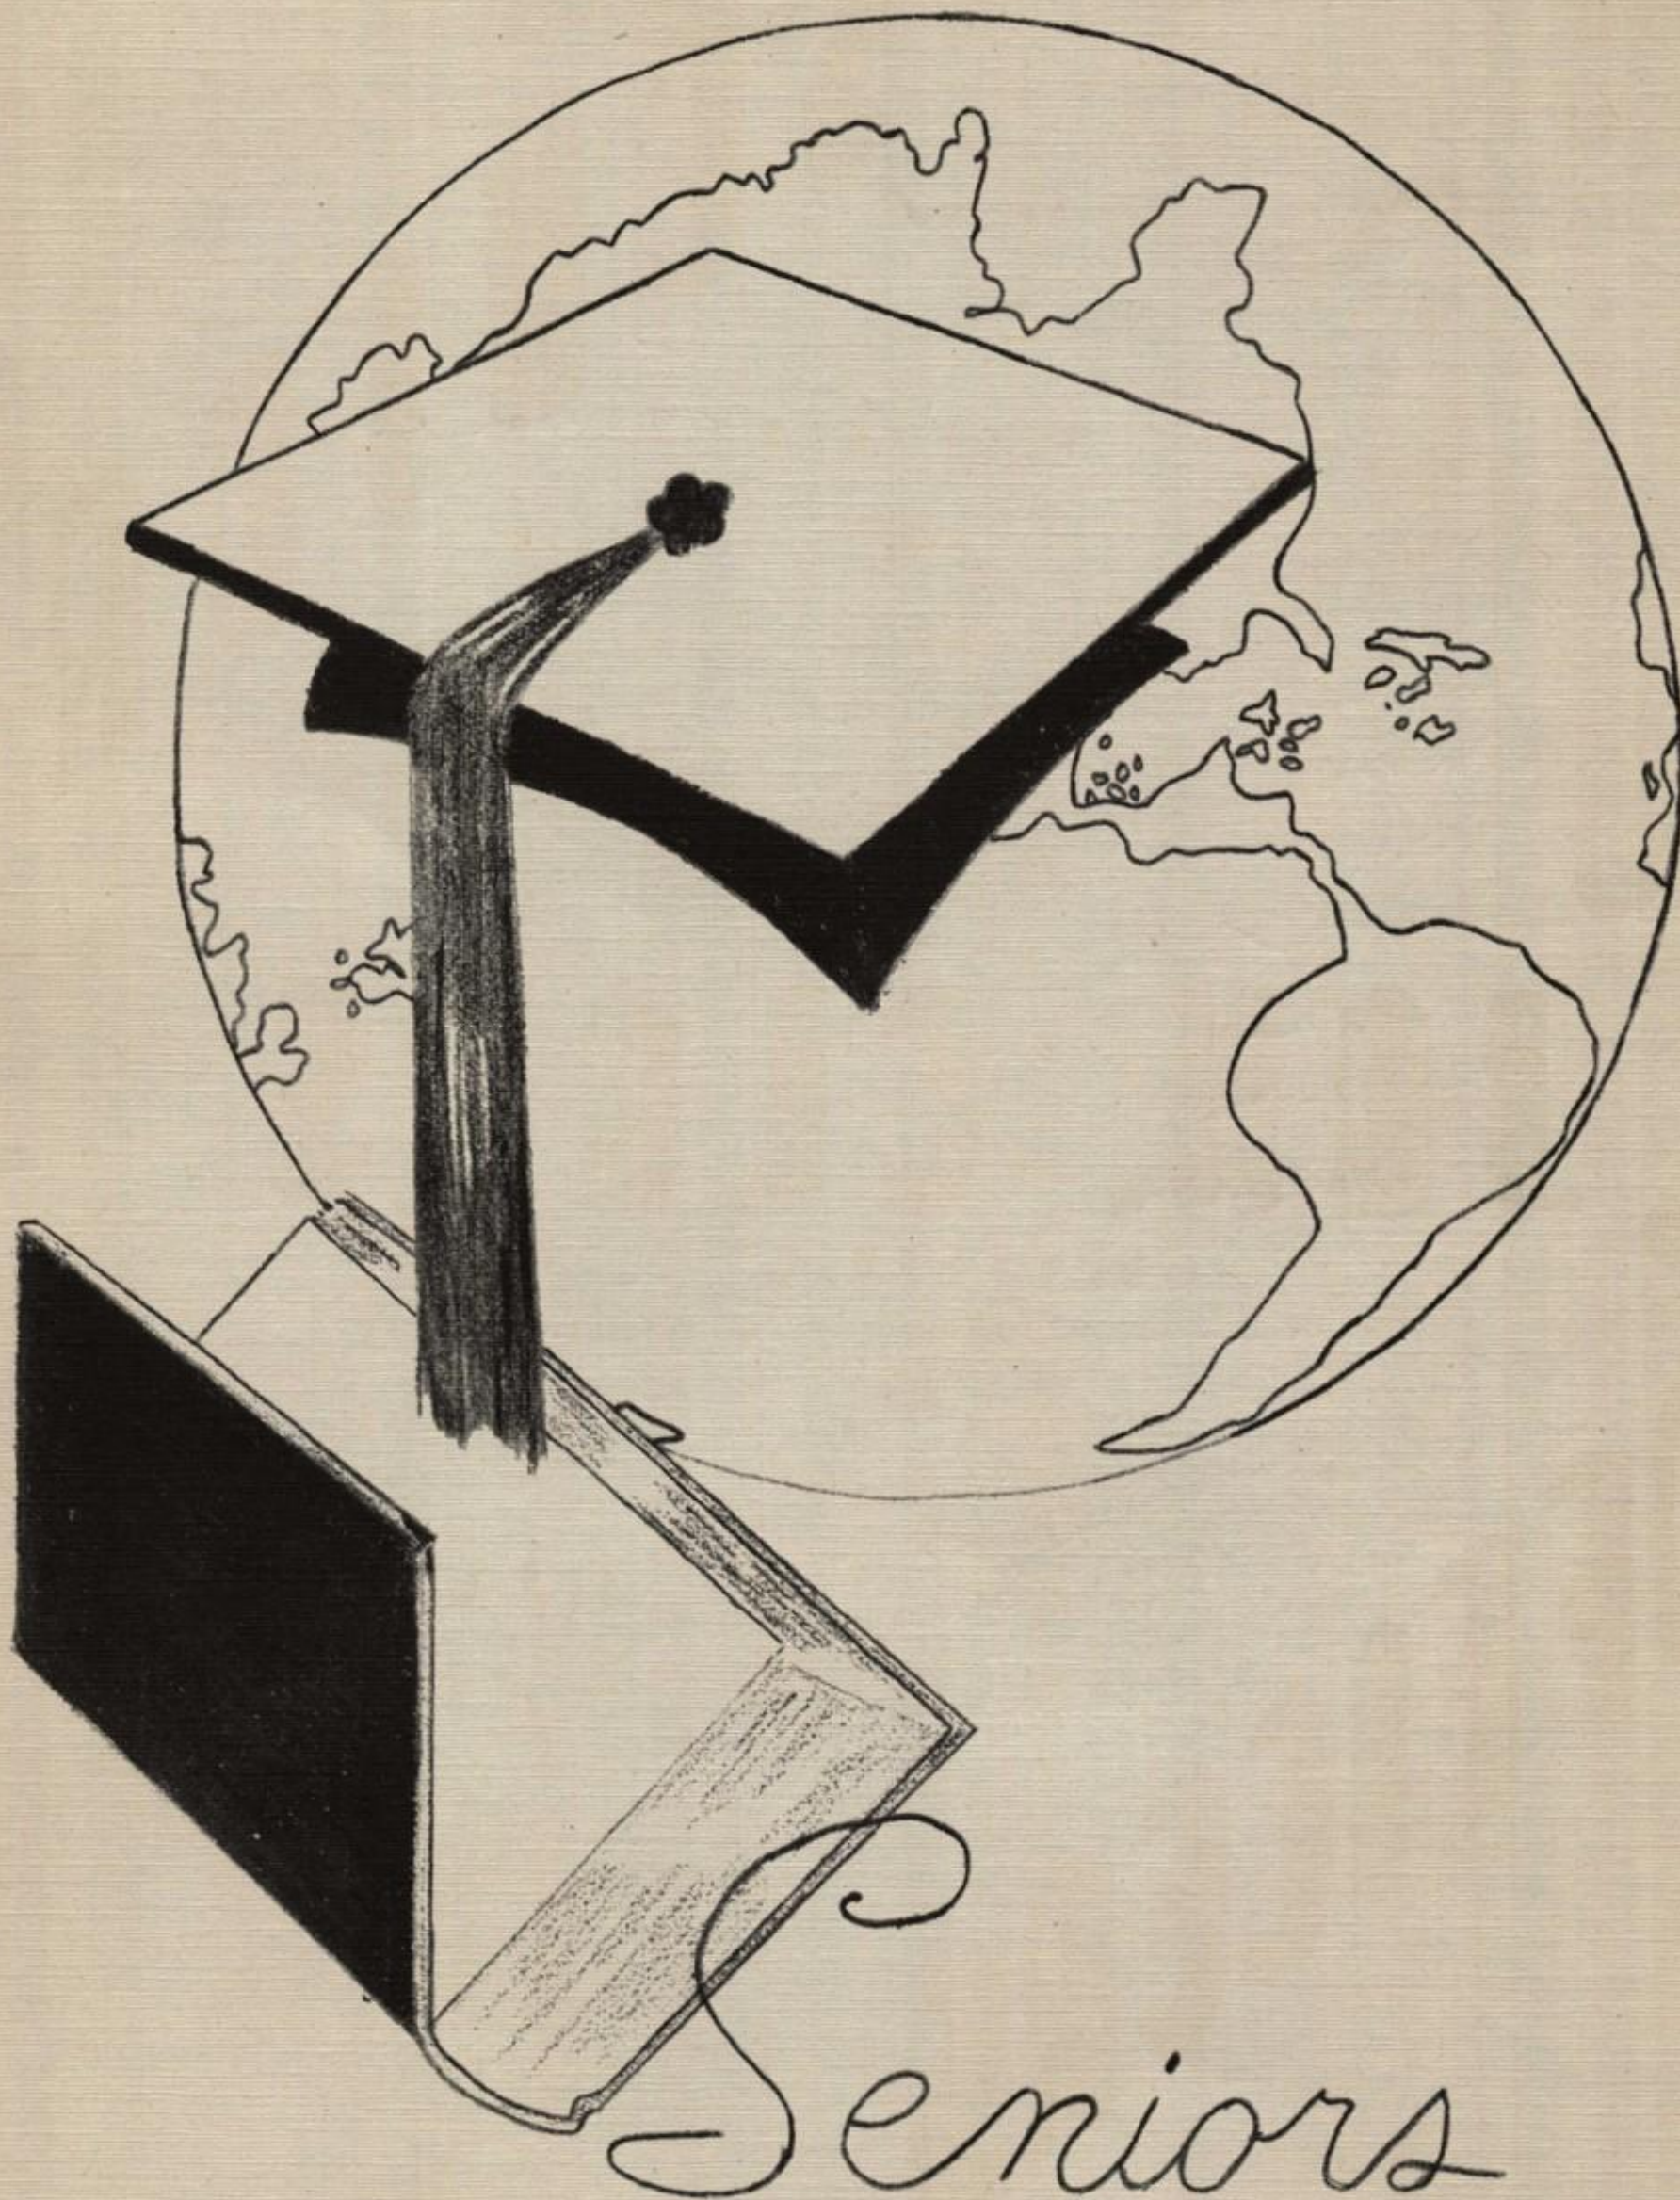

With a great pride and satisfaction we extend our sincere congratulations to you, the graduating seniors of 1946.

We say "with pride" because you are "our folks"; "with satisfaction" because of your progress and accomplishment. We know full well how happy you are to have reached this high point and we rejoice with you.

You will find that the opportunities which will present themselves to you will be as different and varied as you are individuals. As you go your separate ways, we know you will carry with you the ideals of loyalty, fair play, and honesty which are so much a part of every day life in and out of school.

As we look to the future of a world where opportunities are without number and where challenges are unparalled in history, we expect you to be the ambassadors of tolerance and peace among men, the leaders of spiritual living, and the builders of industrial progress. Keep your aims and ideals high and you will bring glory to yourselves and honor to the school that trained you through your high school years.

CLASS HISTORY

Four short years ago-there dawned upon the horizon of the faculty of LMS, a hundred and one frightened, spindly, and wholly inadequate pupils. What a struggle! What a battle! What a victory! Now fifty-two of that same regiment, who began the struggle, are now about to graduate and receive that coveted diploma.

These years have passed rapidly, but each year is packed with tender memories to be forever cherished by this departing class of Linden-McKinley.

It seems as if only yesterday that we were receiving our junior high diplomas. A hundred and one eager faces listened to the commencement speaker, each giving a silent prayer thanking God that he was living in America and that he was able to attend Linden-McKinley High School without the fear of being bombed.

We thrilled to the thought that we were now ready to enter the most important part of all our years of schooling, those in high school.

Let us recall some of the many experiences for which we can never forget at LMS. Ours was the third class to enter the new high school. We knew that as we grew to be the men and women of the future, so would our school grow to be one of the best in the city.

In our sophomore year, our class saw a football team take form. We gave cheers with the cheer leaders. Our heads were held high when the newly formed band paraded down the field. Under Mrs. Hayes' guidance, a Glee Club, ensemble, and a mixed chorus, all came into existence, whose heavenly voices still ring in our ears. Then came Christmas and our class had a Christmas party. The dramatics department became equally outstanding by winning second place in the Ohio Speech contest. The variety shows, auditorium programs and plays are but a few of the things which will come into our minds when we speak of our Alma Mater.

Father time is moving with us for now we're Juniors with half the battle over and on our last laps toward victory. Many of that regiment of a hundred and one had left the struggle. Some answered the call of Uncle Sam, others gave up. The boys and girls that remained in that regiment still had the old fighting spirit that they started out with. In this short period of time, which we refer to as our Junior year, there were school events and happenings which can not be excluded from the memories we will take when we depart from Linden-McKinley. Remember our Junior hayride! How can one forget the laughter, jokes and songs that were sung as we rolled along. Our football team was improving. We beat Central! The band was establishing the name of being the best marching high school band in the city. McKinley had its first senior play, "Ramona". We witnessed the first senior high graduation at Linden-McKinley.

At last, our regiment now numbering 52, but each one having the feeling of being victorious in withstanding the struggle which began four years ago, are now ready to take his or her place in this world as well educated men and women. Although we are proud and happy to be so victorious, there is a touch of sadness all about. To think of leaving our Alma Mater swells our eyes with tears and our hearts with remorse. The school events and happenings of this year will stand out for us seniors more than any other year, as they are the last ones we will ever be able to take part in again. Many went to the dance sponsored by the Girl Reserves in the spring. "Anne of Green Gables" was given in April. Our vacation months came and went like a strong gust of wind. We were back in school again and ready to put the final touches on our high school education. Each of us felt that not only had we matured throughout these last few years, but so had our school. The gridiron crew of Linden-McKinley really proved that they had what it takes when we beat Aquinas 19-7. The football dance and crowning of the queen will always be remembered. The GR's sport dance, skating parties will add to the many memories we are taking with us. But of all the events that have occurred during these last four years, none will equal our graduation week. The banquet, prom and most of all graduation day.

Now it is time for our regiment of 52, to leave Linden-McKinley and go out into the world. We are ready to put to use the knowledge and training that we have acquired during the past twelve years of schooling. Goodby, Linden-McKinley! This departing class shall never forget you or the wondrous years spent within your portals.

Class History 6-46

In September 1940, 239 lively 7B's entered McKinley Jr. High. We were happy to think that our "Elementary" days were over and we felt proud to be in Jr. High. However, after a few days of life as a lowly 7B, we realized we weren't as important as we previously had thought.

The months rolled quickly by, and in September, 1942, the senior high which we had dreamed of was completed, and many of us had home-rooms and classes in the new building, even though we were still in Jr. High.

Soon, our graduation day arrived. It was a warm June day and our spirits were high, but at the same time, we felt reluctant to leave our Jr. High days and the fun we had during this time. Our class now numbered 241.

Our summer vacation passed quickly, and we realized in September that we were the fourth class to enter Linden-McKinley Sr. High. That year we saw the Student Court organized, watched our sports grow, were thrilled by our orchestra and band, and thoroughly enjoyed the plays given by the dramatics department. We attended the noon dances and movies, and also the variety shows and auditorium programs. The G. A. A. and G. R. were rapidly growing, and they held several parties which were very entertaining.

The school year 1944-1945 brought many new things. A stadium drive was begun in order to receive the necessary funds for building a stadium in which our future sports events would take place. We watched the progress of our football team, and followed our five pretty cheerleaders in giving enthusiastic cheers for the boys who fought so hard for the glory of our school. The basketball season was not too successful, but that didn't keep us from being proud of the boys on the team. The first Senior Class play "Ramona" was presented and we hoped that this might become a tradition. A new track team and baseball team were organized and we witnessed the winning of the District Tournament Championship by our baseball team. A spring concert was given by our orchestra and band letters were distributed.

Our senior year proved to be the most eventful of all. Our athletics were constantly growing and becoming stronger as our teams competed with those of other high schools. We elected our football queen, and later, a basketball queen. Both were crowned at sport dances given at the school. Christmas approached, and the G. A. A. held a dance in the gayly decorated gym. As we became 12A's we elected class officers whom we felt were worthy of these honored positions. The yearbook staff worked unceasingly to produce the traditional yearbook. Spring appeared and with it came an operetta, "The Chimes of Normandy."

Soon we were planning for the prom, and practicing for graduation. Our class has dwindled to 171. Many of the boys had joined the Armed Forces, and some of the students left school for other reasons.

Now, as we are leaving school, our thoughts return to the good times we've had, and we hope that those who come after us will have just as much fun. We wish to thank our teachers for the guidance and understanding they have given us. We are proud to have been able to attend Linden-McKinley Junior and Senior High School and hope that we have been worthy of it.

These were the trouncing of previously undefeated Aquinas 19 to 7; the 13 to 0 win over South, and the selection of Bob Reed for first team guard on the All-City High Squad. Others to receive honor were Dick Housum as captain and as back on the second team; Eli De Villers guard; John Preston end, and Bob Walston fullback. All the latter received honorable mention.

BASKETBALL

McKinley's basketball team had a season which could be termed as fair. They won eight games and lost fourteen. The team hit its best form toward the end of the season. Had the Panthers played this brand of ball all year, they would have had quite a few more wins.

The Panthers looked their best in their first game of the District Class A Tournament. They defeated West 52 to 38. Then they lost their second game in the Tournament to Central. The team looked its worst while taking defeats from Central and East.

The squad this year had by far the best "team spirit" of any other previous basketball team at McKinley. The team finished in fifth place in the city league, winning 5 and losing 7.

McKinley grabbed its share of honors on the All-City High teams. Dick Housum was named forward birth on two first teams, and forward on one second team. Eddie Zoog was honored with a first team and second team center position. Bill Barney and Buddy Brockman received honorable mention as guards.

Practically the whole squad returns next year with the exception of Captain Housum, Lowman, and Barney who are seniors.

First Row: J. Peters, W. Belcher, B. Barney, C. Townesly, B. Brockman, B. Potts, N. DuFore, P. Evans.
Second Row: H. Martin, D. Coldren, E. Zoog, B. Fisher, B. Walston, D. Housum, R. Lowman, W. Adams.

In the championship game, the team had an on day and trounced Upper Arlington 9 to 1 for the District Class A title.

McKinley's game in the State Tournament was lost to Dayton-Fairmont by a score of 5 to 2. Dayton went on to the finals and was beaten by Cincinnati.

In the City-League, McKinley had a 6 won and 5 lost record. For all games they won 10 and lost 7.

High spot of the season was Perry Reall's no hitter against Aquinas. The leading hitters were Jim Shumaker in the City-League, with .346 and Buddy Brockman with .316 for all games.

Although few realize the fact, Golf, a spring and autumn sport, is rapidly growing into a highly organized sport.

Linden-McKinley realized this fact and upon the erection of the Senior High addition the officials entered a four man golf team in the Greater High School League.

The 1945 season was very successful. Linden-McKinley won eight games while losing only three. They took third place in the League.

Tony Ristucci was high scorer for the team with thirty-four and a half points. Paul Santilli was high average with 3 points per game. The long hitters were Homer Gabbard and Paul Santilli.

In addition to Ristucci who was high scorer for the team, the other players scored for the team, as follows: Santilli, twenty-one points; Sciore, eighteen and a half points; Corna, eighteen; Gabbard, twelve points.

Coach Parkison, Junior Sciore, Richard Corna, Tony Ristucci, Paul Santilli.

RESERVE

BASKETBALL

The Reserve team had a better season than the varsity so far as per cent average goes, but they, like the varsity, were also hot and cold all year. They were a good group of sophmores and show much promise of developing into good high school players.

The squad was captained by Eddie Hanawalt, a promising guard. Bob Fisher, a forward, was moved up to the varsity at mid-year after making a good showing on the Reserve. Forrest Murphy, Bill Dupler and Joe Melfi will be varsity players next year.

The Reserves won 7 while losing 10 and they finished fifth in the city league. The scores of the games was as follows:

First Row: J. Haley, R. Martin, M. Bruzzese, E. Hanawalt
F. Ricci, H. Martin
Second Row: A. Slane, B. Hope, F. Murphy, J. Owens,
